About Me

CAREER OBJECTIVE

Throughout my 7-year-plus career as a software developer, I have focused on developing scalable and well-documented code. I enjoy working collaboratively but can also run with projects independently. Excited about the prospect of joining a product-driven company like Acme Corp

Work Experience

SOFTWARE DEVELOPER

QUICK BOOKS | 2021-2022

January 2017-current / New York, NY • Worked on the payments team to save time and improve cash flow for over 50,000 through the development of modern, responsive customer experiences • Led the migration from AWS to GCP for the team to reduce

SOFTWARE ENGINEER

EMBARK | 2021-2023

January 2020 / New York, NY

• Worked with product managers to re-architect a multi-page web

app into a single page web-app, boosting yearly revenue by $1.4M • Constructed the logic for a streamlined ad-serving platform that scaled to our 35M users, which improved the page speed by 15% after implementation

• Tested software for bugs and operating speed, fixing bugs and documenting processes to increase efficiency by 18%

• Iterated platform for college admissions, collaborating with a group of 4 engineers to create features across the software
